Projects

Tasty Trade	Jan 2024 - April 2024
Role:Leader	

As a project leader, we're working on a project to tackle food scarcity for those in need and make the most out of waste. Our goal is to reduce waste by collecting leftovers and giving them to people who need them. We're also creating a platform for small businesses to join us in this effort to make a positive change.

Urban Mobility Solutions	July 23 - Dec 23
Role:Leader	

Led a project as the team leader focusing on studying the problems in big cities. We aimed to find solutions to these issues as part of our Design Engineering subject.

HealthCare Availability in Rural India	Sept 22 - Dec 22
Role:Leader	

Led project design efforts as the Project Leader for the Design Engineering subject, demonstrating leadership and technical proficiency. Orchestrated project conception and design, showcasing strategic planning and engineering acumen.
